

Merge Tasks

TRANSIENT OBJECT		PERSISTENT OBJECT	
	+		=
	+		=
	→		→
	→		→
	→		→
	→		→
	→		→
	→		→

Tasks can only have one:

Knowledge Assessment
 Capability Assessment
 SCORM Resource

If the Persistent Task does not contain one of the above components, the Transient Task's component is given the green light to be added.

If the Persistent Task contains one of the above components, the Transient Task's component is given the red light and cleared.
